

GLIDING WINDOWS

Andersen® 100 Series gliding windows combine many of the advantages of double-hung windows with a more contemporary look and full-perimeter weatherstripping for energy efficiency. Available in multiple configurations, including a single stationary sash with one gliding sash, or a three-sash configuration with two sash gliding past a fixed center sash. Made with our revolutionary Fibrex® composite material, 100 Series products are durable, environmentally smart and energy efficient. Available in deep, rich colors, they are low-maintenance and an exceptional value.
