- Additional options available, contact your Andersen dealer.

PATTERNED GLASS

Available in four attractive patterns ideal for letting light into the home while obscuring vision.

ADDITIONAL FEATURES

- Available in two- and four-panel configurations
- Reach-out lock seals the panel tight against the frame
- A thermal barrier in the sill reduces heat loss and limits condensation on the inside
- Dual ball-bearing rollers on door panels provide smooth gliding operation
- Quality construction with mortise-and-tenon dowel joints

INTERIOR

Unfinished Pine

Naturally occurring variations in grain, color and texture of wood make each door one-of-a-kind.

HARDWARE FINISHES

*Distressed Bronze and Oil Rubbed Bronze are "living" finishes that will change with time and use.

EXTERIOR TRIM

Available in 11 colors to complement your exterior.

GRILLES

Choose from dozens of popular designs or work with Andersen to create custom patterns.

Printing limitations prevent exact color and finish duplication. See your Andersen dealer for actual finish samples.
